Understanding the Concept of a Blaze Best Seller

Definition and Characteristics

A blaze best seller generally refers to a product that skyrockets in sales, often surpassing initial expectations and dominating sales charts across various platforms. Unlike traditional best sellers, which maintain consistent sales over extended periods, blaze best sellers tend to experience rapid growth followed by a sharp decline or sustained popularity depending on several factors.

Key characteristics include:

- Market Disruption: Challenging or surpassing existing best-sellers.
- Media and Viral Amplification: Gaining momentum through social media, reviews, or word-of-mouth.

Distinguishing from Other Best Sellers

While all blaze best sellers are best sellers, not all best sellers qualify as "blaze" due to the speed and intensity of their rise.
