- Begin with the ball in the hand completely within the glove.
- Take a sign from the catcher.
- Come to a complete stop with the hands separated.

2. When is a runner considered out due to interference?

Answer:

A runner is out if they intentionally or unintentionally interfere with a fielder attempting to catch a fly ball, field a ground ball, or execute a play. For example:

- Interfering with a fielder attempting to catch a fly ball.
- Hinder a fielder's ability to make a play.
- Interfering with a thrown ball.

Answer:

The ball is ruled fair if it first lands in foul territory and then rolls into fair territory, provided it does not touch anything in foul territory before crossing into fair territory.

- The batter is awarded first base if the ball was in play before crossing into fair territory, depending on the situation.

4. How many warm-up pitches are allowed between innings?

Answer:

According to NFHS rules:

- The pitcher is allowed a maximum of one minute for warm-up pitches between innings.

Answer:

A catcher's obstruction occurs when:

- The catcher impedes the batter's progress to first base during a play.
